

## **This God I**

**This God I  
can believe  
who loves all  
creation as itself  
and says  
There are no  
exceptions  
to my love –  
all are welcome  
in my heart  
all have  
I sent forth  
that I might  
learn who I am  
then take them back again,  
welcome, as when  
they first depart!  
All of life  
have I sent forth –  
All of life  
I love , without  
remorse  
leaving not one  
creature in the  
dark –  
Not a single life  
do I reject!  
All are welcome  
in my heart.**
