Words by  
CEC & RJC

Let's op - en all the pris - ons of the world! Those of hate, those of fear, For we are one, one fa - mi - ly!

Let's op - en all the pris - ons of the world! Those of lust, those of greed, and those of power. For we are one. The world is one!

We reflect that one just God has made us all. Yes, God is just, yet God is Love, and we are one, one fam - i - ly.

In all things let true friendship be our noble aim, and not re - tal - i - ate or blame! or cause another pain.

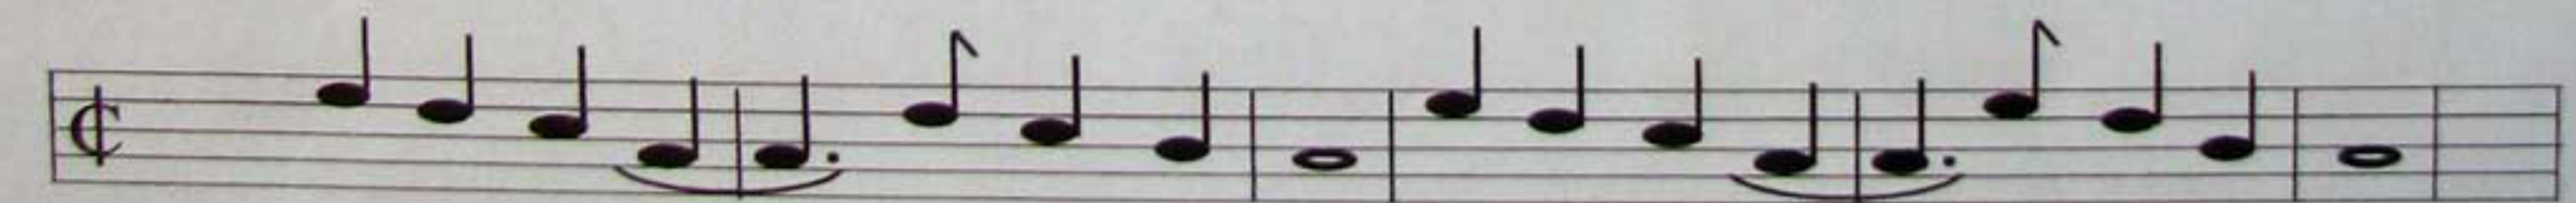

For - give - ness is the way that we should ever live. We can for-give! We should forgive! For we are one, and God is love.

Since God is love, we're free from hate and fear, to care and share, to serve in love, as fam - i - ly.

Since God is love, we're free from lust and greed and power, We can be friends; we can for-give. Let's do it now!

Let's do it RIGHT! Let's do it NOW! Let's do it RIGHT! Let's do it NOW!
